**22nd SUNDAY. September 1.**
Humility really has nothing to do with being a doormat.
The humble person sees all life, meaning, and existence itself as a gift.

### TO COPE WITH ANGER

*Lord*
*sometimes I get angry, really mad.*
*And I say or do things*
*that I later regret.*
*Then I apologize for the cutting remark*
*the cruel accusation.*
*But apologies aren't always enough.*
*There may be no way to undo the harm.*
*Help me to accept my temper as a reality.*
*Help me to control it and direct it*
*into constructive channels.*
*Help me to harness my anger*
*so that it will move me to work*
*to relieve the oppression of the poor*
*the needless slaughter around the globe*
*the destruction of earth's beauties.*
*Above all, help me to learn restraint.*
*For a moment's hesitation*
*can mean*
*preventing a lifetime of regret.*

*Amen.*

## PARISH NUPTIALS

Mr. and Mrs. Christopher M. Trout

On Saturday evening, August 24, 1974, Christopher M. Trout exchanged life-vows of holy marriage with Sunant La-Ead-On during a Nuptial Mass celebrated by Fr. Harvey.

The groom is the son of Mr. and Mrs. Hubert F. Trout, 1239 Washtenaw. The bride is the daughter of Mrs. Noi La-Ead-On and the late Mr. La-Ead-On of Bangkok, Thailand. The five sisters and one brother of the groom served as the wedding party. Todd and Cathy Trout were witnesses to the vows. Music for the celebration was provided by Miss Marie Stachlewitz, organist, Mrs. Carole Zakrzewski, guitarist, and Mrs. Laurie Wawrzaszek, soloist.

At the present time, Chris is serving in the United States Air Force.

We extend our congratulations to Chris and Sunant and pray for many years of fulfilling happiness.

Mr. and Mrs. Charles Miller

Mr. and Mrs. Michael Starwas

*(Both couples pictured above were married in our church on Saturday, August 17, 1974. Due to space limitations, pictures of the newly-weds were not included last week with their nuptial announcements.)*

## ANNIVERSARIES COMMEMORATED

Mr. and Mrs. George J. Rominski

Mr. and Mrs. George Rominski, longtime parishioners of St. John's, recently celebrated their Golden Wedding Anniversary.

The honored couple's two daughters, Mrs. Frederick (Margaret) Busch and Mrs. Robert (Rose Marie) Sattler along with son - in - laws and seven grandchildren and friends paid tribute to George and Vivian on this special occasion.

During the reception, Fr. Harvey read a personal letter of congratulations from Bishop Zaleski.

As a parish, we offer George and Vivian our grateful thanks for the faithful sign of their love among us.

* * * *

We also extend congratulations to Clement and Margaret Budinger on the occasion of their Fortieth Anniversary, held on August 18, 1974. ## From the Pastor's Desk

**Questions and Answers on Abortion**

BUT LEGALIZING ABORTION WOULD ELIMINATE ABORTIONS!

This is purely wishful thinking, and a completely

**(Continued next column)**

false statement. Consistent experience has been that when laws are liberalized, the legal abortion rate skyrockets, the illegal abortion rate does not drop, but frequently rises. The reason consistently given is the relative lack of privacy of the official procedures. (Europe, Japan, Colorado, Etc.)

DOESN'T A MOTHER HAVE A RIGHT TO HER OWN BODY?

This is not her body but the body of another human person. Since when have we given to a mother the right to kill her children -- born or unborn?

ISN'T ABORTION ANOTHER MEANS OF BIRTH CONTROL?

No. Do not confuse abortion with birth control. Birth control prevents new life from beginning. Abortion kills the new life **that has already begun.**

WHY BRING UNWANTED BABIES INTO THE WORLD?

An unwanted pregnancy in the early months does not necessarily mean an unwanted baby after delivery. Dr. Edward Lenoski (U. of S. Cal.) has conclusively shown that 90 percent of battered children were planned pregnancies.

"A world without unwanted children, wives, oldsters, etc., would be a perfect world. The measure of our humanity is not that we won't always have unwanted ones among us but what we do with them. Will we try to help them? or kill them?"

**Willke, Handbook on Abortion**

WHAT ABOUT THE GIRL WHO'S BEEN RAPED?

Pregnancy from rape is extremely rare. A scientific study of 3,500 cases of rape treated in hospitals in the Minneapolis-St. Paul area revealed zero cases of pregnancy. This study took place over a ten year period.

**The Educator, Sept. 1970**

WHAT IF THE MOTHER THREATENS SUICIDE?

Suicide among pregnant women is almost unknown. In Minnesota, in a 15-year period, there were only 14 maternal suicides. Eleven occurred after delivery. None were illegitimately pregnant. All were psychotic.

ISN'T ABORTION SAFER THAN CHILDBIRTH?

No, in the late stages it is far more dangerous. Even in the first three months at least twice as many mothers die from legal abortions as from childbirth.

ARE THERE AFTER-EFFECTS TO THE MOTHER?

After legal abortion there is an increase in sterility of 10 percent, of miscarriages of an additional 10 percent, of psychiatric aftermath (9 to 59 percent in England), of RH trouble later. Tubal pregnancies rise from 0.5 to 3.5 percent and premature babies from 5 to 15 percent. There can be perforation of the uterus, blood clots to the lung, infection, and later fatal hepatitis from blood transfusions.
